

3M Easy Clean System

The 3M Easy Clean System is the advanced way of rethinking floor cleaning. This system reduced labor up to 70%, increases performance up to 6 times, cut chemical waste by as much as 80%, and reduce mop drag by up to 10 times.

3M Easy Trap Duster System

This amazing duster system traps and holds 6 times more dust, dirt, and hair than traditional mops and other disposable dusting systems—it's the more efficient way to dust. It works on horizontal surfaces, the low drag reduces worker fatigue, and the worker can use both sides of the duster without touching it. The disposable dusting product is a non-woven three dimensional web is two sided and is made up of 3M proprietary fibers. The duster comes in perforated rolls of 5" and 8" wide. The lightweight Easy II Holder is designed to allow use of the duster on both sides and comes in sizes of 17", 23", 35", 47" and 59".

3M Easy Scrub Flat Mop System

This scrub system saves not only time but money also. Mop drag is up to 10 times less than other flat mops. The flat mop cleans and scrubs up to 3 times faster than other flat mops reducing cleaning time up to 50% compared to mop and bucket use, and reduces chemical waste by up to 80%. The lightweight aluminum mopping tool handle holds 15oz. Of solution. No straining with the easy push button actuation located on top for dispensing chemical as needed. The streamline design of this flat mop allows for easy maneuverability. The micro fiber flat mops are patent-pending dual fiber construction with scrubbing strips that come in 18". This flat mops are extremely efficient in that they can be washed in chlorine bleach and reused.

3M Easy Shine Applicator System.

With the 3M Easy Shine Applicator System, you get results you can be proud of every time. This system reduces labor costs by as much as 70% and finish usage by up to 35%. Easy apply finish in corners and along baseboards. The low drag mop delivers smooth, even coats of finish. The specially designed filling station allows use of any conventional floor finish and most other cleaning chemicals. The lightweight, refillable backpack pouch hold up to 1.5 gallons and is reusable up to 25 times. The lightweight trigger button is easy to use for liquid dispensing, with a clog-resistant dispensing tube at its base. The micro fiber mops are patent-pending dual fiber construction with easy glide stripes and come in 18" and 24".

3M Cornerstone Sealer/Finish

Seals and beautifies stone floors in one step. Adheres securely and provides gloss to hard-to-maintain stone surfaces such as terrazzo, concrete, quarry tile, brick and unglazed ceramic. Works with equipment of any speed.

Size: 1 gallon
 Type: Each
 Order #: L062-15
 Manufacturer #: 25930

3M Floor Stripper

Easy-rinsing, non-ammoniated formula aggressively attacks even heavily burnished finish and buildup fast and with no offensive odor.

Size: 2.5 gallons
 Type: Each
 Order #: L068-10
 Manufacturer #: 08776

3M Spray Buff

Removes dirt, scuffs and black marks to renew gloss. Also helps finish resist scuffing. Designed for trigger spray bottles. Can be used with standard through ultra high-speed floor machines.

Size: 1 gallon
 Type: Each or Case
 Quantity: 4/case
 Order #: L027-1
 Manufacturer #: 08854

3M Topline Floor Coating

This quick-drying, easily repaired coating gives you the deepest “wet look” for high frequency burnishing programs. For use on resilient tile and terrazzo floors with ultra high-speed machines (1500 rpms and higher).

Size: 2.5 gallons
 Type: Each
 Order #: L062-5
 Manufacturer #: 23762

3M Trouble Shooter Cleaner

Heavy duty cleaner removes soil, grease and floor finish buildup. Upside-down spray feature for hard-to-reach places. Use on baseboards, floor edges, corners and stairways.

Size: 23 oz. Aerosol Can
 Type: Each or Case
 Quantity: 12/case
 Order #: L049-2
 Manufacturer #: 14001
