

Is Your School Prepared for Flu Season?

One of the major causes of cold and flu is spreading germs on hands. Germs can live on hands for up to three hours. The Centers for Disease Control and Prevention (CDC) states that handwashing and using hand sanitizer when water is not available is one of the best defenses against the spread of infection.

The Symmetry Hand Hygiene Program offers a full line of cost effective hand hygiene products and dispensers, complete with education, awareness and behavior modification tools, and training for your facility needs.

Contact your local Buckeye representative to schedule a Symmetry Challenge.

The cleanliness of school facilities and grounds is a key factor in the overall health and safety of students, staff, and visitors.

Clarion 25 floor finish is the first of its kind to utilize Microban surface modification technology, that embeds an EPA registered antimicrobial into the floor finish.

Microban technology in Clarion 25 provides an additional layer of protection on top of standard cleaning and disinfecting. It reduces the bioburden on floors by preventing bacteria from colonizing and multiplying.

Contact your local Buckeye representative about conducting a floor care demonstration at your school.

Achieve the best overall value for each dollar spent with the fully integrated Eco Proportioning Program, designed and manufactured with proprietary technology with you, the end-user, in mind. Effective, safer, economically and ecologically friendly chemistry; hermetically sealed, flexible and sustainable packaging; together with a simplistic approach to proportioning to protect and preserve your environment.

► **PRODUCTS:**

- Eco All-Purpose Cleaner (E11/S11)
- Eco Multi-Purpose Cleaner (E13)
- Eco Muscle Cleaner (E14)
- Eco Hydrogen Peroxide Cleaner (E15/S15)
- Eco One-Step Disinfectant (E22)
- Eco Neutral Disinfectant (E23/S23)
- Eco pH Neutral Cleaner (E31/S31)
- Eco Odor Eliminator (E41)

- **SYSTEM:** Compact, Green
Flexible Packaging
Super Concentrated Products
Proprietary Technology

BUCKEYE HONORS® CUSTODIAL TRAINING PROGRAM FOR SCHOOLS AND UNIVERSITIES

Standardizing cleaning in your school or university will reduce labor and product costs, provide optimal training, simplify ordering, and achieve the best results. The Honors training website features the complete program and materials available 24 hours a day for your convenience!

Visit www.buckeyehonors.com

- Secure login
- View Honors training videos by segment
- View Honors training manuals
- Download Honors PowerPoint presentations by segment
- Download Material Safety Data Sheets (MSDS), product literature, and wall charts
- Review Honors Program knowledge with tests available by segment
- Access test reporting feature for supervisors
